

ASSIGNMENT and assessment criteria for Day 1&2 of C1 learning activity

The aim of this assignment is to prepare the digital learning material you could share with your students prior to the flipped classroom lesson.

PREPARE your own digital content you would share with students before class (short video animation, interactive presentation /other than PowerPoint/) on the topic you selected.

Applications you can use are for example:

Animoto, Biteable, Genially, h5p... any tool presented in the course, but of course you can use a different one if you would like to.

1. Share the link of the prepared digital material with us. Specify your target group, and summarize the pedagogical objectives behind your work.
2. Plan how to **SHARE** it - how your students will be able to access the material you created.

Assessment criteria:

the shared link works	1 point
the length is appropriate to the age group	1 point
it is well readable, audible, visible	3 points
it is to the point, focused	1 points
it is motivating, raising interest	2 points
the content is well structured pedagogically, the objectives are explained and justified	3 points
justification of the selected method of sharing	1 points
TOTAL achievable:	12 points

11 - 12 points: Excellent

9 - 10 points: Good

7 - 8 points: Acceptable

less than 7 points: the assignment needs to be re-worked

Submission method:

Online in the Moodle learning platform by 29-September, end of day.
